**EVERGREEN EXPANDS PROPERTY MANAGEMENT DIVISION**

Phoenix, AZ (June 29, 2011) – Evergreen Real Estate Group ([www.evergreendev.com](http://www.evergreendev.com)) is facilitating the continued expansion of its property management operations by acquiring Phoenix based property management firm Desert West Management, Inc. (“DWMI”). Evergreen will absorb DWMI’s thirty-four property portfolio and six-person staff.

DWMI principal Carrie Temple and her current team will join the Evergreen team effective July 1, 2011. Carrie Temple is a tenured and highly respected industry professional. “The DWMI team is delighted to join the Evergreen family,” said Carrie Temple. “Evergreen shares our commitment to providing extraordinary service and exploring new ways to enhance the value equation for our clients.”

Evergreen is approaching the current real estate market with a drive to uncover new opportunities. “We are continually working to evolve the breadth of our offerings,” said Bruce Pomeroy, Evergreen founder. “In addition to their passion and expertise, Carrie Temple and her team bring with them a diversified book of properties that will perfectly augment our existing portfolio.”

Evergreen prides itself on collaborative, long-standing relationships with its clients. Dana Dragon, Evergreen Principal, said “We are thrilled to add Carrie Temple and her team to our property management group. Carrie offers renowned industry proficiency and leadership and shares our commitment to building mutually beneficial partnerships with our clients.”

The newly expanded Evergreen property management portfolio represents a diversified mix of retail, office, office condo association, industrial, and industrial park association properties.
